Westwater – great clerks

Westwater clerks are recognised in Chambers Directory to be very approachable and very helpful.

“They can find the right advocates when you need them.”

Sheila Westwater, the principal clerk, is reported to have “a great team.”

Westwater – make a great start

Sheila and her team have long experience in launching junior advocates into a thriving practice.

Westwater is regularly invited to provide speakers for local faculties of solicitors and to lead professional training events. Our junior advocates have found this an excellent introduction to potential instructing agents.
